Brisbane Convention & Exhibition Centre (BCEC)

Brisbane Convention & Exhibition Centre (BCEC) has been named The World's Best Convention Centre by the International Association of Congress Centres (AIPC).

Based on client evaluation and that of industry professionals, BCEC received the highest ratings in key performance areas including Overall Experience and Overall Value, in an independently assessed global survey.

Host venue for the successful 2014 G20 Summit, acknowledged as the 'Best Ever', BCEC is Australia's most flexible meetings venue providing unprecedented choice for events of every size including a dedicated boutique event hub, with two auditoria for 400 and 600, speakers' facilities and private boardrooms allowing delegates to 'own' an entire convention level.

The Centre is also the only convention Centre in Australia with three stand-alone tiered auditoria.

With the credentials of 22 years' experience BCEC brings together unmatched capability and unique depth of industry skills including leading edge technology and world class catering taking our clients to the Next Level.

Located in the heart of the city at the epicentre of Brisbane's riverside cultural and entertainment attractions, BCEC has the best of Australia at your fingertips – from day trips to the reef, a pristine coastline and lush, heritage listed rainforests.

Managed by AEG Ogden, international venue management specialists.
