

BEVERAGE

Our regionally and internationally inspired wine list is compiled from grape varieties and wine styles widely recognised as the best suited to their origin. We have created a carefully selected portfolio of wines showcasing Australia's finest wine growing regions, complimented by a sophisticated international wine list designed to enhance our menus and delight diners.

Your preferred taste may be for a cool climate, lighter style wine from the Mornington Peninsula, Marlborough, Adelaide Hills or the Granite Belt or alternatively you may like a wine with a little more weight from the Barossa, McLaren Vale or the Margaret River.

Please note many of our dishes may contain allergens. Advise your Event Planning Manager of your guests' food allergies or intolerances. Menus valid to 30th June 2020.

OPTIONAL INCLUSIONS

There are many ways to enhance your beverage offering to complement wine, beer and soft drinks.

Consider a themed cocktail on arrival, or offering premium and small batch spirits.

Trends in the spirit industry are evolving very quickly. We constantly source and rotate our range with this in mind, offering local and international small batch spirits.

Please ask to speak to a Food and Beverage representative for an event-tailored beverage offering.

RESPONSIBLE SERVICE OF ALCOHOL

Management support staff who carry out their legal obligations pertaining to the responsible service of alcohol. RSA trained staff will ensure clients, guests and visitors enjoy an environment that is safe and welcoming.

The liquor act 1992 states a licensee must:

- Behave responsibly in the service, supply and promotion of liquor
- Not engage in any practice or promotion that may encourage rapid or excessive consumption of liquor
- Engage in practices and promotions that encourage the responsible consumption of liquor
- Provide and maintain a safe environment in and around the licensed premise

Key components of BCEC's responsible service of alcohol initiatives include:

- Providing the sale and/or supply of alcoholic beverages in a responsible manner, including monitoring the consumption of alcohol
- Facilitating and maintaining an approved responsible service of alcohol (RSA) training program, training and assessing employees as competent in RSA
- Intervening to ask a person for proof of age before serving alcoholic beverages. If such identification cannot be produced, the patron will not be served or supplied with alcohol
- Intervening to prevent possible problems arising from excessive or rapid alcohol consumption
- Not serving or supplying anybody who is unduly intoxicated
- Adhering at all times when liquor is being served or sold to having a liquor approved manager on BCEC licensed premises
- Ensuring guests do not bring alcoholic beverages on to BCEC licensed premises unless prior written approval has been given
