

Brisbane Convention & Exhibition Centre (BCEC)

Named The World's Best Convention Centre 2016 – 2018, by the International Association of Congress Centres (AIPC), Brisbane Convention & Exhibition Centre (BCEC) brings unmatched capability and a unique depth of industry skills to offer a Next Level conference experience.

Australia's most flexible meetings and events venue, BCEC is the only convention centre in Australia with purpose-built boutique conference facilities, allowing organisers to 'own' their conference space, providing unprecedented choice for events of every size.

The Centre is capable of hosting five concurrent conferences and has three stand-alone tiered auditoria able to accommodate plenaries of 4,000, 600 and 400.

Located at the very centre of Brisbane's Knowledge Corridor, BCEC is within walking distance of universities, research centres and key hospitals.

Brisbane Convention & Exhibition Centre sits at the heart of Brisbane's bustling cultural and entertainment precinct at South Bank, home to art galleries, world class performing arts and the city's most popular riverside dining destination.

With the addition of two new hotels to the South Bank Precinct, visitors have a total of 916 hotel rooms to choose from, all within a few minutes walking distance of BCEC.

Managed by ASM Global, international venue management specialists.
