

BEVERAGE

We take pride in showcasing some of Australia's most renowned wine regions. With delicate wines from the cool climates of the Mornington Peninsula, Clare Valley and Adelaide Hills or something with a little more weight from the Barossa Valley, McLaren Vale and the Granite Belt, there are selections to suit any demographic or dining style. For advice on pairing wines to your menu please get in touch with the Beverage team via your Sales or Event Planning Manager.

Jesse Marks

RESPONSIBLE SERVICE OF ALCOHOL

Management support staff who carry out their legal obligations pertaining to the responsible service of alcohol. RSA trained staff will ensure clients, guests and visitors enjoy an environment that is safe and welcoming.

The liquor act 1992 states a licensee must:

- Behave responsibly in the service, supply and promotion of liquor
- Not engage in any practice or promotion that may encourage rapid or excessive consumption of liquor
- Engage in practices and promotions that encourage the responsible consumption of liquor
- Provide and maintain a safe environment in and around the licensed premise

Key components of BCEC's responsible service of alcohol initiatives include:

- Providing the sale and/or supply of alcoholic beverages in a responsible manner, including monitoring the consumption of alcohol
- Facilitating and maintaining an approved responsible service of alcohol (RSA) training program, training and assessing employees as competent in RSA
- Intervening to ask a person for proof of age before serving alcoholic beverages. If such identification cannot be produced, the patron will not be served or supplied with alcohol
- Intervening to prevent possible problems arising from excessive or rapid alcohol consumption
- Not serving or supplying anybody who is unduly intoxicated
- Adhering at all times when liquor is being served or sold to having a liquor approved manager on BCEC licensed premises
- Ensuring guests do not bring alcoholic beverages on to BCEC licensed premises unless prior written approval has been given
